

Honestly

Isn't it a pleasure as well as a blessing there is one clothing store in Maysville where you can send a child with the utmost confidence of getting kind, honest and good attention as well as when you come yourself? Ever day finds our trade growing just because of this very fact. Overcoats and new Winter Suits, all-wool, fast colors, at \$10, is one of the many things for men we give. Remember, Trunks are being specially priced for a few days.

Farmers Should Hold Tobacco
Cynthiana Log Cabin.
It will be remembered that buyers for the Lexington market picked up the best crops of tobacco in this county last year at less than they were worth. They made a lot of money and the farmers were the losers. We repeat that the speculators always offer less than they think a crop is worth on the market or they would not make the offer, as they expect to make a profit. The farmer who sells on the loose leaf market will get the top price.

Terrific Shooting Scrape
New York, November 18th.—A man and a woman stood in a small room of a Rialto Hotel in the Bronx tonight and deliberately shot down three detectives and two other men, who were trying to place the pair under arrest. At or nearly emptying the eleven chambers of a large automatic revolver, reinforced by shots from an ordinary revolver, in the hands of his woman companion, and probably fatally injuring four of those whom he shot down, the man shot and killed the woman and then put a bullet through his own head, dying instantly.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They therefore receive dollars for any case it fails to cure. Send for circulars and testimonials. Address, F. J. Turkey Suffers Heavy Loss
LONDON, ENGLAND, November 18th.—Any idea that the Turkish Government may have had of benefiting from continued resistance must be shattered by today's news of the fall of Monastir. In the capture of that important town the Servians took three Pashas, 50,000 men and forty-seven guns, thus achieving the greatest individual success of the war. Monastir was the second city of importance in European Turkey. It was Turkey's stronghold in Macedonia, and by its downfall Macedonia passes completely out of Turkish hands.

JEFF DAVIS' STATUE
To Be Placed in Kentucky Capitol By U. D. C.'s

WASHINGTON.—After several executive sessions with the general officers of the United Daughters of the Confederacy, members of the Kentucky delegation reached a compromise on their proposition to remove the statue of Abraham Lincoln from the State Capitol at Frankfort and replace it with one of Jefferson Davis, President of the Confederacy. A member of the delegation said: "Of course, we would rather replace the Lincoln statue, but there is nothing to prevent us ordering a statue of Jeff Davis which will be a few inches higher than the Lincoln memorial."
